

# MY CIRCUIT TRAILS

## THE CIRCUIT TRAILS

Discover the Circuit Trails, the region's growing network of trails!

If you'll be heading outside with youngsters, we've created this scavenger hunt to encourage their exploration of trails, pique their curiosity about the wonderful world around them and inspire them to have fun outdoors!

If they enjoyed this game, we'd love to hear about it; share a photo of your adventurer working on the list on social media using **#MyCircuitTrails!**

Find more fun at [circuittrails.org/mycircuittrails](http://circuittrails.org/mycircuittrails)

## CHECKLIST

- Search for a leaf that is not green.**  
*Talk about what else you notice about the leaf and the plant it comes from.*
- Locate a source of water.**  
*Describe the water—is it a creek, a puddle, a birdbath?*
- Watch the clouds for one that looks like an animal.**  
*What kind of animal do you see?*
- Find a place where a bird lives—either a natural nest or an artificial bird house.**  
*What do you think it was made of? What kind of bird do you think lives there?*
- Find another person on the trail (not in your group).**  
*What activity are they enjoying on the trail?*
- Look for a rock or boulder along the trail.**  
*Describe its color, shape and texture.*
- Look for an insect or spider.**  
*What does it look like and where did you find it?*
- Find a spot along the trail to listen to nature.**  
*How many unique sounds did you hear?*
- Find a paw print or other marking left by an animal.**  
*What kind of animal do you think made it?*
- Draw your favorite spot on the trail or take a photo of it.**  
*What did you enjoy most about the trail experience?*
