

Become part of the rail-trail movement!

The purpose of Rails-to-Trails Conservancy (RTC) is to create a nationwide network of public trails from former rail lines and connecting corridors to build healthier places for healthier people.

Support the trail movement and encourage trail building in your community, across the country and around the world. Building trails requires technical know-how, guidance from people who've done it before and successful strategies to overcome barriers. Together we can convert former rail corridors to linear parks and create safe havens for the young and old, cyclists and walkers and all who take pleasure in the outdoors.

Rails-to-Trails Conservancy is a nonprofit, charitable organization. Membership contributions and donations to RTC are tax deductible.

As a member of Rails-to-Trails Conservancy, you'll receive the following wonderful benefits...

- * A subscription to *Rails to Trails*, our full color, quarterly magazine with articles on the people leading the trail movement, travel features on rail-trails, policy and legal updates, plus national and community news.
- * Discounts on RTC merchandise and publications, including our Official Rail-to-Trails Conservancy Guidebooks and "1000 Great Rails-Trails."
- * The satisfaction of knowing that you are helping to leave a legacy of trails and greenways for all to enjoy!
