Naming RTC as an IRA or Life Insurance Beneficiary

Help ensure a bright future for America's trails by naming Rails-to-Trails Conservancy (RTC) as a beneficiary of your Life Insurance, IRA, 401(k) or other qualified plan through this tax-efficient gift.

How It Works

1. Contact your program administrator to request and complete a beneficiary designation form and add RTC as the beneficiary of your Life Insurance, IRA, 401(k) or other plan.
2. File copies of the completed designation form with your plan administrators and personal documents.
3. After your lifetime, the residue of your plan passes to RTC, tax free.

Benefits

- You can escape both income AND estate tax levied on the residue left in your retirement account by leaving it to RTC.
- Give the most-taxed asset in your estate to RTC, and leave more favorably taxed property to your heirs.
- You can continue to take withdrawals during your lifetime.
- You can change the beneficiary if your circumstances change.
