

SHARE THE TRAIL

At Rails-to-Trails Conservancy, we've always known how important it is for all trail users to practice good trail etiquette, but "Sharing the Trail" matters now more than ever to keep new and seasoned trail users alike safe.

Remember:

- ☼ Keep 6 feet between yourself and others at all times.
- ☼ On the trail, do not gather in groups.
- ☼ Announce yourself. Keep right, pass left.
