The director shall determine whether a municipality which files an application meeting such minimum criteria is in serious fiscal distress, and, if so, what amount of transitional aid should be provided to address the municipality's serious fiscal distress. The transitional aid shall be provided to the municipality subject to the provisions of subsection a. of section 1 of P.L.2011, c.144 (C.52:27D-118.42a); provided, however, that an amount of Transitional Aid to Localities as determined by the Director of the Division of Local Government Services for a municipality may be deemed to constitute Consolidated Municipal Property Tax Relief Aid in an amount not in excess of the amount of Transitional Aid to Localities such municipality received in the previous fiscal year and shall not reduce the amount of Consolidated Municipal Property Tax Relief Aid such municipality shall receive for the current fiscal year. Provided, however, if the Director of the Division of Local Government Services deems an amount of Transitional Aid to Localities for a municipality as constituting Consolidated Municipal Property Tax Relief Aid pursuant to this provision, that municipality is not relieved from compliance with the requirements for transitional aid.

Notwithstanding the provisions of subsection d. of section 29 of P.L.1999, c.152 (C.13:8C-29) or subsection d. of section 30 of P.L.1999, c.152 (C.13:8C-30), or any law or regulation to the contrary, all payments to municipalities in lieu of taxes for lands acquired by the State and non-profit organizations for recreation and conservation purposes shall be retained by the municipality and not apportioned in the same manner as the general tax rate of the municipality.

Notwithstanding the provisions of any law or regulation to the contrary, whenever funds appropriated as State Aid and payable to any municipality, which municipality requests and receives the approval of the Local Finance Board, such funds may be pledged as a guarantee for payment of principal and interest on any bond anticipation notes issued pursuant to section 11 of P.L.2003, c.15 (C.40A:2-8.1) and any tax anticipation notes issued pursuant to N.J.S.40A:4-64 by such municipality. Such funds, if so pledged, shall be made available by the State Treasurer upon receipt of a written notification by the Director of the Division of Local Government Services that the municipality does not have sufficient funds available for prompt payment of principal and interest on such notes, and shall be paid by the State Treasurer directly to the holders of such notes at such time and in such amounts as specified by the director, notwithstanding that payment of such funds does not coincide with any date for payment otherwise fixed by law.

The State Treasurer, in consultation with the Commissioner of Community Affairs, is empowered to direct the Director of the Division of Budget and Accounting to transfer appropriations from any State department to any other State department as may be necessary, to provide a loan for a term not to exceed 180 days to a local government unit faced with a fiscal crisis, including but not limited to a potential default on tax anticipation notes and on such other terms and conditions as may be required by the commissioner.

Notwithstanding the provisions of any law or regulation to the contrary, any revenues collected from the tax on cosmetic medical procedures pursuant to P.L.2004, c.53 (C.54:32E-1) shall be deposited into the Health Care Subsidy Fund established pursuant to section 8 of P.L.1992, c.160 (C.26:2H-18.58) for the support of payments to federally qualified health centers.

Notwithstanding the provisions of any law or regulation to the contrary, as a condition of the receipt of any monies hereunder by an acute care hospital that is requesting an advance of charity care/NJ FamilyCare or payments from the “Health Care Facilities Improvement Fund” or any payments over and above this act, the hospital shall comply with a request by the Commissioner of Health for a review of its finances and operations to ensure that access to health care is maintained and public funds are utilized for their intended purposes. The cost of such review shall be borne by the acute care hospital and shall comply with any financial and operational performance requirements imposed by the commissioner as deemed necessary as a result of the review.

Notwithstanding the provisions of section 3 of P.L.2004, c.113 (C.26:2H--18.59i) or any law or regulation to the contrary, the appropriation for Health Care Subsidy Fund Payments is subject to the following conditions: the distribution of Charity Care funding shall be calculated in the following manner: (a) source data for the most recent census data shall be from the 2013 5--Year American Community Survey; (b) source data used shall be from calendar years (CY) 2014 for documented charity care claims data and hospital-specific gross revenue for charity care patients and shall include all adjustments and void claims related to CY 2014 and any prior year submitted claims, as submitted by each acute care hospital or determined by the Department of Health (DOH); (c) source data used for CY 2014 documented charity care for each hospital’s total gross revenue for all patients shall be from the CY 2014 Acute Care Hospital Cost Report as defined by Form E4, Line 1, Column E data and shall be according to the DOH advance submission request dated February 5, 2015, as submitted by each acute care hospital by March 13, 2015, and source data used for Medicare Cost Report data shall be from CY 2013; (d) in the event that an eligible hospital failed to submit by March 13, 2015, its total gross revenue for all patients from the CY 2014 Acute Care Hospital Cost Report as defined by Form E4, Line 1, Column E data according to the DOH advance submission request dated February 5, 2015, source data from CY 2013 shall be used for hospital--specific gross revenue for charity care patients and for hospital total gross revenue for all patients as defined by Form E4, Line 1, Column E; (e) the hospital-specific reimbursed documented charity care shall be permitted to decline to 2%, rather than be limited to no less than 43%; (f) for each eligible hospital, except those designated 96% by their hospital--specific reimbursed documented charity care, a proportionate decrease shall be applied to its calculated subsidy based on its percentage of total subsidy such that the total calculated subsidy for all hospitals shall equal ¹[\$352,000,000] \$302,000,000¹ ; and (g) the resulting value will constitute each eligible hospital’s SFY 2017 charity care subsidy allocation.

Notwithstanding the provisions of any law or regulation to the contrary, any funds remaining as the result of a closure of a hospital eligible to receive Disproportionate Share Hospital (DSH) funds shall be redistributed at the discretion of the Commissioner of Health. Factors the commissioner will consider shall include, but not be limited to, maintenance of continued timely access to essential health services for persons eligible to participate in charity care, and continued operation in the same or adjoining municipality as the closed hospital of an acute care hospital, eligible to receive DSH funds, and serving substantially the same eligible population. Notice of such redistribution shall be provided to the Joint Budget Oversight Committee within five business days of each redistribution.

The amounts hereinabove appropriated for Health Care Subsidy Fund Payments are conditioned upon the following provision: the Department of Health shall review, examine and/or audit any and all financial information maintained by an acute care hospital to ensure appropriate use of public funds.

The amounts hereinabove appropriated for charity care or other funding to a health care facility are conditioned upon the following requirement: such health care facility shall participate in planning meetings supervised by the Department of Health for the planning of the provision of hospital, medical, or health programs and services, and shall, to the extent permitted by State and federal law, share patient-level data as needed to facilitate such purposes.

Notwithstanding the provisions of any law or regulation to the contrary, the amounts hereinabove appropriated from the Health Care Subsidy Fund for charity care payments are subject to the following condition: In a manner determined by the Commissioner of Health and subject to the approval of the Director of the Division of Budget and Accounting, eligible hospitals shall receive (1) their charity care subsidy payments beginning in July 2016, and (2) their January 2017 payments in December 2016.

Notwithstanding the provisions of any law or regulation to the contrary, and except as otherwise provided and subject to such modifications as may be required by the Centers for Medicare and Medicaid Services in order to achieve any required federal approval and full Federal Financial Participation, the amounts hereinabove appropriated for Graduate Medical Education (GME) are conditioned upon the following: The subsidy payment shall be split into a Direct Medical Education (DME) allocation, which is calculated by multiplying the total subsidy amount by the ratio of 2014 total median Medicaid managed care DME costs--to--2014 total median Medicaid managed care GME costs; and an Indirect Medical Education (IME) allocation, which is calculated by multiplying the total subsidy amount by the ratio of 2014 total Medicaid managed care IME costs-to-total 2014 Medicaid managed care GME costs. Each hospital's percentage of total 2014 Medicaid managed care DME costs shall be multiplied by the DME allocation to calculate its DME payment. Each hospital's percentage of total 2014 Medicaid managed care IME costs shall be multiplied by the IME allocation to calculate its IME payment. The sum of a hospital's DME and IME payments equal its subsidy payment. The total amount of these payments shall not exceed \$188,000,000 and shall be paid in 12 monthly payments. In the event that a hospital reported less than 12 months of 2014 Medicaid costs, the number of reported months of data regarding days, costs, or payments shall be annualized. In the event the hospital completed a merger, acquisition, or business combination resulting in two cost reports filed during the calendar year, the two cost reports will be combined into one cost report for the calendar year. In the event that a hospital did not report its Medicaid managed care days on the cost report utilized in this calculation, the Department of Health (DOH) shall ascertain Medicaid Managed Care encounter days for Medicaid and NJ FamilyCare clients as reported by insurers to the State for the following reporting period: services dates between January 1, 2014 and December 31, 2014; payment dates between January 1, 2014 and December 31, 2015; and a run-date not later than January 31, 2016. Medicaid managed care DME cost is defined as the approved intern and residency program costs using the 2014 Medicaid cost report total residency costs, reported on Worksheet B Pt I Column 21 line 21 plus Worksheet B Pt I Column 22 Line 22 divided by 2014 resident full time equivalent employees (FTE), reported on Worksheet S-3 Pt 1 Column 9 line 14 to develop an average cost per FTE for each hospital used to calculate the overall median cost per FTE. The median cost per FTE is multiplied by the 2014 resident FTEs reported on Worksheet S-3 Pt 1 Column 9 line 14 to develop approved total residency program costs. The approved residency costs are multiplied by the quotient of Medicaid managed care days, reported on Worksheet S-3 Column 7 line 2, divided by the quantity of total days, on Worksheet S-3 Column 8 line 14, less nursery days, on Worksheet S-3 Column 8 line 13. Medicaid managed care IME cost is defined as the Medicare IME factor multiplied by Medicaid Managed Care encounter payments for Medicaid and NJ FamilyCare clients as reported by insurers to the State for the following reporting period: services dates between January 1, 2014 and December 31, 2014; payment dates between January 1, 2014 and December 31, 2015; and a run--date of not later than January 31, 2016. The IME factor is calculated using the Medicare IME formula as follows: $1.35 * [(1 + x) 0.405 -- 1]$, in which "x" is the quotient of submitted IME resident full--time equivalencies reported on Worksheet S--3 Pt 1 Column 9 line 14 divided by the quantity of total available beds less nursery beds reported Worksheet S-3 Column 2 line 14. In the event that a hospital believes that there are mathematical errors in the calculations, or data not matching the actual source documents used to calculate the subsidy as defined above, hospitals shall be permitted to file calculation appeals within 15 working days of receipt of the subsidy allocation letter. If upon review it is determined by the DOH that the error has occurred and would constitute at least a five percent change in the hospital's allocation amount, a revised industry-wide allocation shall be issued. Each hospital receiving a GME allocation shall, on or before May 1st, provide a report to the Commissioner of Health indicating the total number of physicians who completed their training during the preceding calendar year, and the number of those physicians who plan to practice medicine within the State of New Jersey.

There are appropriated such additional sums as are required to pay all amounts due from the State pursuant to any contract entered into between the State Treasurer and the New Jersey Health Care Facilities Financing Authority pursuant to section 6 of P.L.2000, c.98 (C.26:21-7.1) in connection with the Hospital Asset Transformation Program.

In addition to the amount hereinabove appropriated for Health Care Systems Analysis, an amount not to exceed \$1,000,000 is appropriated from amounts assessed and collected by the Department of Banking and Insurance pursuant to section 9 of P.L.2007, c.330 (C.17:1D-2),

for the purpose of funding costs associated with the development and maintenance of the New Jersey Health Information Network, subject to a plan prepared by the Department of Health and approved by the Director of the Division of Budget and Accounting.

Notwithstanding the provisions of any law or regulation to the contrary, the amounts hereinabove appropriated for the Hospital Delivery System Reform Incentive Payments Program of \$166.6 million are conditioned upon the following: a hospital's payment shall be calculated and distributed as set forth in the final approved version of New Jersey's Delivery System Reform Incentive Payments (DSRIP) funding and mechanics protocol approved on March 27, 2014, by the U.S. Department of Health and Human Services, Centers for Medicare and Medicaid Services (CMS), in connection with the New Jersey Comprehensive Medicaid 1115 Waiver, consistent with the Special Terms and Conditions of the approved Waiver, including but not limited to Section XIII, paragraphs 91 through 97 thereof as may be amended by Centers for Medicare and Medicaid Services (CMS).

The amount hereinabove appropriated for the Hospital Delivery System Reform Incentive Payments (DSRIP) program is subject to the following condition: the Department of Health shall promptly file with the Presiding Officers of the Legislature copies of any reports or other determinations regarding DSRIP eligibility or plan performance, including but not limited to whether or not a hospital has satisfied any eligibility benchmarks required for receipt of DSRIP funding, which are made by the State or received from CMS.

08	Support of Patients in County Psychiatric Hospitals (PTRF)	(\$105,214,000)
----	--	-----------------

The unexpended balance at the end of the preceding fiscal year in the Support of Patients in County Psychiatric Hospitals account is appropriated for the same purpose.

Notwithstanding the provisions of R.S.30:4-78, or any law or regulation to the contrary, the State share of payments from the Support of Patients in County Psychiatric Hospitals account to the several county psychiatric facilities on behalf of the reasonable cost of maintenance of patients deemed to be county indigents shall be at the rate of 125% of the rate established by the Commissioner of Human Services for the period July 1 to December 31 and at the rate of 45% of the rate established by the Commissioner of Human Services for the period January 1 to June 30 such that the total amount to be paid by the State on behalf of county indigent patients for the calendar year shall not exceed 85% of the total reasonable per capita cost; and further provided that the rate at which the State will reimburse the county psychiatric hospitals shall not exceed 100% of the per capita rate at which each county pays to the State for the reasonable cost of maintenance and clothing of each patient residing in a State psychiatric facility, excluding the depreciation, interest and carry-forward adjustment components of this rate, and including the depreciation, interest, and carry-forward adjustment components of each individual county psychiatric hospital's rate established for the period January 1 to December 31 by the Commissioner of Human Services. The initial determination of whether a county hospital rate exceeds the per capita rate that counties pay to the State on behalf of applicable patients residing in a State psychiatric facility will be based on a comparison of estimated cost used to set reimbursement rates for the upcoming calendar year. A second comparison of the actual per diem costs of the county psychiatric hospital and State psychiatric hospitals will be completed after actual cost reports for the period are available including an inflationary adjustment for the six-month difference in fiscal reporting periods between State and county hospitals. The county hospital carry-forward adjustment to be included in rates paid by the State will exclude costs found to exceed 100% of the actual cost rate of the State psychiatric facilities.

Notwithstanding the provisions of any law or regulation to the contrary, the amount hereinabove appropriated for Support of Patients in County Psychiatric Hospitals is conditioned upon the following provision: payments to county psychiatric hospitals will only be made after receipt of their claims by the Division of Mental Health and Addiction Services. County psychiatric hospitals shall submit such claims no less frequently than quarterly and within 15 days of the close of each quarter.

With the exception of all past, present, and future revenues representing federal financial participation received by the State from the United States that is based on payments to hospitals that serve a disproportionate share of low-income patients, which shall be retained by the State, the sharing of revenues received to defray the State Aid appropriation for the costs of maintaining patients in State and county psychiatric hospitals shall be based on the same percent as costs are shared between the State and counties.

The amount hereinabove appropriated for State Aid reimbursement payments for maintenance of patients in county psychiatric facilities shall be limited to inpatient services only, except that such reimbursement shall be paid to a county for outpatient and partial hospitalization services as defined by the Department of Human Services, if outpatient and/or partial hospitalization services had been previously provided at the county psychiatric facility prior to January 1, 1998. These outpatient and partial hospitalization payments shall not exceed the amount of State Aid funds paid to reimburse outpatient and partial hospitalization services provided during calendar year 1997. In addition, any revision or expansion to the number of inpatient beds or inpatient services provided at such hospitals which will have a material impact on the amount of State Aid payments made for such services, must first be approved by the Department of Human Services before such change is implemented.

The amount hereinabove appropriated for the Division of Mental Health and Addiction Services for State facility operations and the amount appropriated as State Aid for the costs of county facility operations are first charged to the federal Disproportionate Share Hospital (DSH) reimbursements anticipated as Medicaid uncompensated care. Accordingly, DSH revenues earned by the State related to services provided by county psychiatric hospitals which are supported through this State Aid appropriation shall be considered as the first source supporting the State Aid appropriation.

In addition to the amounts hereinabove appropriated for the Support of Patients in County Psychiatric Hospitals, in the event that the Assistant Commissioner of the Division of Mental Health and Addiction Services determines that, in order to provide the least restrictive setting appropriate, a patient should be admitted to a county psychiatric hospital in a county other than the one in which the patient is domiciled rather than to a State psychiatric hospital, there are hereby appropriated such additional amounts as may be required, as determined by the Assistant Commissioner to reimburse a county for the extra costs, if any, which were incurred in connection with the care of such patient in a county psychiatric hospital which exceeded the cost of care which would have been incurred had the patient been placed in a State psychiatric hospital, subject to the approval of the Director of the Division of Budget and Accounting.

The amount hereinabove appropriated for Support of Patients in County Psychiatric Hospitals is conditioned upon the following provisions: County psychiatric hospitals shall: (1) enroll and continue to maintain enrollment as providers in the State's NJ FamilyCare program; (2) complete or pursue in good faith the completion of eligibility applications for patients who could be NJ FamilyCare eligible; (3) bill the NJ FamilyCare program for all applicable services; and (4) neither admit nor discharge patients based upon NJ FamilyCare eligibility.

Notwithstanding the provisions of any law or regulation to the contrary, the amount hereinabove appropriated for Support of Patients in County Psychiatric Hospitals is conditioned upon the county psychiatric hospitals providing and certifying all information that is required by the State, in the form specified by the Division of Mental Health and Addiction Services, to prepare a complete, accurate, and timely claim to federal authorities for Medicaid Disproportionate Share Hospital (DSH) claim revenues.

Notwithstanding the provisions of R.S.30:4-78, or any other law or regulation to the contrary, the amount hereinabove appropriated for Support of Patients in County Psychiatric Hospitals is conditioned upon the following provisions: for rates effective January 1, 2013, and any prior year rate adjustments that may be required beginning January 1, 2013, the approval of the State House Commission shall not be required for the setting of such rates and the Commissioner of Human Services shall set the per capita cost rates to be paid by the State to the several counties on behalf of the reasonable cost of maintenance of State and county patients in any county psychiatric facility, including outpatient psychiatric services, the per capita rates which each county shall pay to the Treasurer for the reasonable cost of maintenance and clothing of each patient residing in a State psychiatric facility having a legal settlement in such county ("County Patients"), the rates to be paid for the reasonable cost of maintenance and clothing of the convict and criminal mentally ill in any State psychiatric facility and the cost of maintenance of County Patients residing in State developmental centers or receiving other residential functional services for the developmentally disabled. Such rates will be fixed no later than October 1 of each calendar year. Notice of such rates shall be provided by the Commissioner of Human Services to the clerk of the respective boards of chosen freeholders.

In the event that the Division of Mental Health and Addiction Services is notified that a county psychiatric hospital will cease operations for the current fiscal year, or any portion thereof, in order to assure continuity of care for patients who otherwise would have been served by the county hospital, as well as to preserve patient and public safety, the Division shall have the authority to transfer funds from the Support of Patients in County Psychiatric Hospitals account to Direct State Services and Grants-In-Aid accounts in the Division of Mental Health and Addiction Services, for the fiscal year, subject to a plan approved by the Director of the Division of Budget and Accounting.

Of the amount hereinabove appropriated within the General Medical Services program classification, the Division of Medical Assistance and Health Services, subject to federal approval, shall implement policies that would limit the ability of persons who have the financial ability to provide for their own long-term care needs to manipulate current NJ FamilyCare rules to avoid payment for that care. Provided, further, that on or before September 15, 2016, the Department shall calculate and disseminate to the MCOs the amount of the add-on payable during the year starting October 1, 2016 as an allowable cost, as well as the list of nursing facilities that will receive this add-on, and the MCOs shall adjust the rates paid to nursing facilities accordingly; the add-ons calculated for FY 2016 shall be applied from July 1, 2016, through September 30, 2016 and the first add-on shall be applied to fee-for-service per diem reimbursement rates effective October 1, 2016.

Notwithstanding the provisions of any law or regulation to the contrary, the amounts hereinabove appropriated for the General Medical Services program classification are subject to the following condition: nursing facilities shall not receive payments for bed hold or therapeutic leave days for NJ FamilyCare beneficiaries; provided that nursing facilities shall continue to reserve beds for NJ FamilyCare beneficiaries who are hospitalized or on therapeutic leave as required by N.J.A.C.8:85-1.14.

Notwithstanding the provisions of any law or regulation to the contrary, as a condition of receipt of any NJ FamilyCare payments a nursing home shall provide to the Commissioner of Human Services information on the facility's finances comparable to the information provided by hospitals to the Department of Health pursuant to N.J.A.C.8:31B-3.1 et seq. and N.J.A.C.8:31B-4.1 et seq., as requested by the commissioner, and the commissioner shall periodically assess the financial status of the industry.

Such amounts as may be necessary are hereinabove appropriated from the General Fund for the payment of increased nursing home rates to reflect the costs incurred due to the payment of a nursing home provider assessment, pursuant to the "Nursing Home Quality of Care Improvement Fund Act," P.L.2003, c.105 (C.26:2H-92 et seq.), and P.L.2004, c.41, subject to the approval of the Director of the Division of Budget and Accounting.

Notwithstanding the provisions of any law or regulation to the contrary, a sufficient portion of receipts generated or savings realized in the Medical Services for the Aged or Pharmaceutical Assistance to the Aged and Disabled Grants-In-Aid accounts from initiatives included in the current fiscal year appropriations act may be transferred to administration accounts to fund costs incurred in realizing these additional receipts or savings, subject to the approval of the Director of the Division of Budget and Accounting.

In order to permit flexibility in implementing ElderCare Initiatives hereinabove appropriated as part of Community Based Senior Programs, amounts may be transferred between Direct State Services and Grants-In-Aid accounts, subject to the approval of the Director of the Division of Budget and Accounting. Notice thereof shall be provided to the Legislative Budget and Finance Officer on the effective date of the approved transfer.

Notwithstanding the provisions of any law or regulation to the contrary, no funds appropriated in the Pharmaceutical Assistance to the Aged and Disabled program classification and the Senior Gold Prescription Discount Program account shall be expended for fee-for-service prescription drug claims with no Medicare Part D coverage except under the following conditions: (1) the maximum allowable cost for legend and non-legend drugs shall be calculated based on the lowest of (i) the Estimated Acquisition Cost (EAC), defined as a drug's Wholesale Acquisition Cost less a volume discount of one (1) percent; (ii) the federal upper limit (FUL); or (iii) the State upper limit (SUL); and (iv) cost acquisition data submitted by providers of pharmaceutical services for single-source or brand-name multi-source drugs where an alternative pricing benchmark is not available; (2) pharmacy reimbursement for legend and non-legend drugs shall be calculated based on (i) the lowest of the EAC, FUL, or SUL plus a dispensing fee of \$3.73 to \$3.99; or a provider's usual and customary charge; or (ii) the lower of cost acquisition data submitted by providers of pharmaceutical services for single-source or brand-name multi-source drugs, where an alternative pricing benchmark is not available, plus a professional fee; or a provider's usual and customary charge. To effectuate the calculation of SUL rates and/or the calculation of single-source and brand-name multi-source legend and non-legend drug costs where an alternative pricing benchmark is not available, which is intended to be budget neutral, the Department of Human Services shall mandate ongoing submission of current drug acquisition data by providers, of pharmaceutical services. No funds hereinabove appropriated shall be paid to any entity that fails to submit required data.

The amounts hereinabove appropriated for payments for the Pharmaceutical Assistance to the Aged and Disabled program, P.L.1975, c.194 (C.30:4D-20 et seq.), the Senior Gold Prescription Discount Program, P.L.2001, c.96 (C.30:4D-43 et seq.), and Community Based Senior Programs are available for the payment of obligations applicable to prior fiscal years.

Benefits provided under the Pharmaceutical Assistance to the Aged and Disabled (PAAD) program, P.L.1975, c.194 (C.30:4D-20 et seq.), and the Senior Gold Prescription Discount Program, P.L.2001, c.96 (C.30:4D-43 et seq.), shall be the last resource benefits, notwithstanding any provisions contained in contracts, wills, agreements, or other instruments. Any provision in a contract of insurance, will, trust agreement, or other instrument which reduces or excludes coverage or payment to an individual because of that individual's eligibility for, or receipt of, PAAD or Senior Gold Prescription Discount Program benefits shall be void, and no PAAD and Senior Gold Prescription Discount Program payments shall be made as a result of any such provision.

Of the amount hereinabove appropriated in the Pharmaceutical Assistance to the Aged and Disabled-Claims program, notwithstanding the provisions of section 3 of P.L.1975, c.194 (C.30:4D-22) or any law or regulation to the contrary, the copayment in the Pharmaceutical Assistance to the Aged and Disabled program shall be \$5 for generic drugs and \$7 for brand name drugs.

Notwithstanding the provisions of any law or regulation to the contrary, subject to the approval of a plan by the Commissioner of Human Services, no funds appropriated for the Pharmaceutical Assistance to the Aged and Disabled (PAAD) program, pursuant to P.L.1975, c.194 (C.30:4D-20 et seq.), or the Senior Gold Prescription Discount Program (Senior Gold), pursuant to P.L.2001, c.96 (C.30:4D-43 et seq.), shall be expended, when PAAD or Senior Gold is the primary payer, unless participating pharmaceutical manufacturing companies execute contracts with the Department of Human Services. Name brand manufacturers must provide for the payment of rebates to the State on the same basis as provided for in subsections (a) through (c) of section 1927 of the federal Social Security Act, 42 U.S.C. s.1396r-8.

Notwithstanding the provisions of any law or regulation to the contrary, no funds appropriated for the Pharmaceutical Assistance to the Aged and Disabled (PAAD) program, pursuant to P.L.1975, c.194 (C.30:4D-20 et seq.), and the Senior Gold Prescription Discount Program, pursuant to P.L.2001, c.96 (C.30:4D-43 et seq.), shall be expended unless participating pharmaceutical manufacturing companies execute contracts with the Department of Human Services, providing for the payment of rebates to the State. Furthermore, rebates from pharmaceutical manufacturing companies for prescriptions purchased by the PAAD program and the Senior Gold Prescription Discount Program shall continue during the current fiscal year, provided that the manufacturer's rebates for PAAD claims paid as secondary to Medicare Part D and for the Senior Gold Prescription Discount Program shall apply only to the amount paid by the State under the PAAD and Senior Gold Prescription Discount Programs. All revenues from such rebates during the current fiscal year are appropriated for the PAAD program and the Senior Gold Prescription Discount Program.

In addition to the amount hereinabove appropriated for the Pharmaceutical Assistance to the Aged and Disabled and the Senior Gold Prescription Discount programs, there are appropriated from the General Fund and available federal matching funds such additional amounts as may be required for the payment of claims, credits, and rebates, subject to the approval of the Director of the Division of Budget and Accounting.

Notwithstanding the provisions of any law or regulation to the contrary, the appropriations for the Pharmaceutical Assistance to the Aged and Disabled program and the Senior Gold Prescription Discount Program are conditioned upon the Department of Human Services coordinating benefits with any voluntary prescription drug mail-order or specialty pharmacy in a Medicare Part D provider network or private third party liability plan network for beneficiaries enrolled in a Medicare Part D program or beneficiaries with primary prescription coverage that requires use of mail order. The mail-order program may waive, discount, or rebate the beneficiary copayment and mail-order pharmacy providers may dispense up to a 90-day supply on prescription refills with the voluntary participation of the beneficiary, subject to the approval of the Commissioner of Human Services and the Director of the Division of Budget and Accounting.

Notwithstanding the provisions of any law or regulation to the contrary, the amounts hereinabove appropriated for the Pharmaceutical Assistance to the Aged and Pharmaceutical Assistance to the Aged and Disabled (PAAD) programs are conditioned upon the Department of Human Services coordinating the benefits of the PAAD programs with the prescription drug benefits of the federal "Medicare Prescription Drug, Improvement, and Modernization Act of 2003" as the primary payer due to the current federal prohibition against State automatic enrollment of PAAD program recipients in the federal program. The PAAD program benefit and reimbursement shall only be available to cover the beneficiary cost share to in-network pharmacies and for deductible and coverage gap costs (as determined by the Commissioner of Human Services) associated with enrollment in Medicare Part D for beneficiaries of the PAAD and Senior Gold Prescription Discount programs, and for Medicare Part D premium costs for PAAD beneficiaries.

Notwithstanding the provisions of any law or regulation to the contrary, no funds appropriated in the Pharmaceutical Assistance to the Aged or Pharmaceutical Assistance to the Aged and Disabled (PAAD) program and Senior Gold Prescription Discount Program accounts shall be available as payment as a PAAD program or Senior Gold Prescription Discount Program benefit to any pharmacy that is not enrolled as a participating pharmacy in a pharmacy network under Medicare Part D.

Consistent with the requirements of the federal "Medicare Prescription Drug, Improvement, and Modernization Act of 2003" and the current federal prohibition against State automatic enrollment of Pharmaceutical Assistance to the Aged and Pharmaceutical Assistance to the Aged and Disabled (PAAD) program and Senior Gold Prescription Discount Program recipients, no funds hereinabove appropriated to the PAAD program or Senior Gold Prescription Discount Program accounts shall be expended for any individual unless the individual enrolled in the PAAD program or Senior Gold Prescription Discount Program provides all data necessary to enroll the individual in Medicare Part D, including data required for the subsidy assistance, as outlined by the Centers for Medicare and Medicaid Services.

Notwithstanding the provisions of any law or regulation to the contrary, the amount hereinabove appropriated for the Pharmaceutical Assistance to the Aged and Pharmaceutical Assistance to the Aged and Disabled (PAAD) programs, and Senior Gold Prescription Discount Program shall be conditioned upon the following provision: no funds shall be appropriated for the refilling of a prescription drug when paid by PAAD or the Senior Gold Prescription Discount Program as the primary payer until such time as the original prescription is 85% finished.

Notwithstanding the provisions of any law or regulation to the contrary, no amounts hereinabove appropriated for the Pharmaceutical Assistance to the Aged and Disabled (PAAD) program or the Senior Gold Prescription Discount Program shall be expended to cover medications not on the formulary of a PAAD program or Senior Gold Prescription Discount Program beneficiary's Medicare Part D plan. This exclusion shall not apply to those drugs covered by the PAAD program and Senior Gold Prescription Discount Program which are specifically excluded by the federal Medicare Prescription Drug Program. In addition, this exclusion shall not impact the beneficiary's rights, guaranteed by the "Medicare Prescription Drug Improvement, and Modernization Act of 2003" (MMA), to appeal the medical necessity of coverage for drugs not on the formulary of a Medicare Part D plan.

Notwithstanding the provisions of any law or regulation to the contrary, no amounts hereinabove appropriated for the Pharmaceutical Assistance to the Aged and Disabled (PAAD) program or the Senior Gold Prescription Discount Program shall be expended for diabetic testing materials and supplies which are covered under the federal Medicare Part B program, or for vitamins, cough/cold medications, drugs used for the treatment of erectile dysfunction, or cosmetic drugs, including, but not limited to: drugs used for baldness, weight loss, and skin conditions.

Notwithstanding the provisions of any law or regulation to the contrary, in order to maximize drug coverage under Medicare Part D, the appropriation for the Senior Gold Prescription Discount Program is conditioned on the Senior Gold Prescription Discount Program being designated the authorized representative for the purpose of coordinating benefits with the Medicare drug program, including appeals of coverage determinations. The Senior Gold Prescription Discount Program is authorized to represent program beneficiaries in the pursuit of such coverage. Senior Gold Prescription Discount Program representation shall include, but not be limited to, the following actions: pursuit of appeals, grievances, and coverage determinations.

In order to permit flexibility in implementing the ElderCare Advisory Commission Initiatives, hereinabove appropriated as part of Community Based Senior Programs within the Programs for the Aged program classification, amounts may be transferred between Direct State Services and Grants-In-Aid accounts, subject to the approval of the Director of the Division of Budget and Accounting. Notice thereof shall be provided to the Legislative Budget and Finance Officer on the effective date of the approved transfer.

Notwithstanding the provisions of any law or regulation to the contrary, a sufficient portion of receipts generated or savings realized in Casino Revenue or Pharmaceutical Assistance to the Aged and Disabled Grants-In-Aid accounts from initiatives included in the current fiscal year's annual appropriations act may be transferred to administration accounts to fund costs incurred in realizing these additional receipts or savings, subject to the approval of the Director of the Division of Budget and Accounting.

In addition to the amounts hereinabove appropriated for Pharmaceutical Assistance to the Aged and Disabled and Hearing Aid Assistance for the Aged and Disabled programs, there are appropriated from the Casino Revenue Fund and available federal matching funds such additional amounts as may be required for the payment of claims, credits, and rebates, subject to the approval of the Director of the Division of Budget and Accounting.

Benefits provided under the Pharmaceutical Assistance to the Aged and Disabled (PAAD) program, P.L.1975, c.194 (C.30:4D-20 et seq.), shall be the last resource benefits, notwithstanding any provision contained in contracts, wills, agreements, or other instruments. Any provision in a contract of insurance, will, trust agreement, or other instrument which reduces or excludes coverage or payment to an individual because of that individual's eligibility for or receipt of PAAD benefits shall be void, and no PAAD payments shall be made as a result of any such provision.

Of the amount hereinabove appropriated in the Pharmaceutical Assistance to the Aged and Disabled-Claims program, notwithstanding the provisions of section 3 of P.L.1975, c.194 (C.30:4D-22) or any law or regulation to the contrary, the copayment in the Pharmaceutical Assistance to the Aged and Disabled program shall be \$5 for generic drugs and \$7 for brand name drugs.

Notwithstanding the provisions of any law or regulation to the contrary, subject to the approval of a plan by the Commissioner of Human Services, no funds appropriated for the Pharmaceutical Assistance to the Aged and Disabled (PAAD) program, pursuant to P.L.1975, c.194 (C.30:4D-20 et seq.), shall be expended, when PAAD is the primary payer, unless participating pharmaceutical manufacturing companies execute contracts with the Department of Human Services. Notwithstanding the provisions of any law or regulation to the contrary, no funds appropriated for the Pharmaceutical Assistance to the Aged and Disabled (PAAD) program, pursuant to P.L.1975, c.194 (C.30:4D-20 et seq.), shall be expended unless participating pharmaceutical manufacturing companies execute contracts with the Department of Human Services, providing for the payment of rebates to the State. Furthermore, rebates from pharmaceutical manufacturing companies for prescriptions purchased by the PAAD program shall continue during the current fiscal year, provided that the manufacturers' rebates for PAAD claims paid as secondary to Medicare Part D shall apply

only to the amount paid by the State under the PAAD program. All revenues from such rebates during the current fiscal year are appropriated for the PAAD program.

Notwithstanding the provisions of any law or regulation to the contrary, the appropriations for the Pharmaceutical Assistance to the Aged and Disabled program are conditioned upon the Department of Human Services coordinating benefits with any voluntary prescription drug mail-order or specialty pharmacy in a Medicare Part D provider network or private third party liability plan network for beneficiaries enrolled in a Medicare Part D program or beneficiaries with primary prescription coverage that requires use of mail-order. The mail-order program may waive, discount, or rebate the beneficiary copayment and mail-order pharmacy providers may dispense up to a 90-day supply on prescription refills with the voluntary participation of the beneficiary, subject to the approval of the Commissioner of Human Services and the Director of the Division of Budget and Accounting.

Notwithstanding the provisions of any law or regulation to the contrary, the amount hereinabove appropriated to the Pharmaceutical Assistance to the Aged and Disabled (PAAD) program is conditioned upon the Department of Human Services coordinating the benefits of the PAAD program with the prescription drug benefits of the federal "Medicare Prescription Drug, Improvement, and Modernization Act of 2003" as the primary payer due to the current federal prohibition against State automatic enrollment of PAAD program recipients in the federal program. Notwithstanding the provisions of any law or regulation to the contrary, the amount hereinabove appropriated for the Pharmaceutical Assistance to the Aged and Disabled (PAAD) program shall be conditioned upon the following provision: no funds shall be appropriated for the refilling of a prescription drug paid by PAAD as a primary payer until such time as the original prescription is 85% finished.

Notwithstanding the provisions of any law or regulation to the contrary, no amounts hereinabove appropriated for the Pharmaceutical Assistance to the Aged and Disabled (PAAD) program shall be expended to cover medications not on the formulary of a PAAD program beneficiary's Medicare Part D plan. This exclusion shall not apply to those drugs covered by PAAD which are specifically excluded by the federal Medicare Prescription Drug Program. In addition, this exclusion shall not impact the beneficiary's rights, guaranteed by the "Medicare Prescription Drug, Improvement, and Modernization Act of 2003" (MMA), to appeal the medical necessity of coverage for drugs not on the formulary of a Medicare Part D plan.

Notwithstanding the provisions of any State law or regulation to the contrary, no State agency shall accept or expend federal funds except as appropriated by the Legislature or otherwise provided in this act.

In addition to the federal funds appropriated in this act, there are appropriated the following federal funds, subject to the approval of the Director of the Division of Budget and Accounting: emergency disaster aid funds including grants for preventive measures; pass-through grants to political subdivisions of the State over which the State is not permitted to exercise discretion in the use or distribution of the funds and for which no State matching funds are required; the first 25% of unanticipated grant awards, and up to 25% of increases in previously anticipated grant awards for which no State matching funds are required except, for the purpose of this section, federal funds received by one executive agency that are ultimately expended by another executive agency shall not be considered pass-through grants; federal financial aid funds for students attending post-secondary educational institutions in excess of the amount specifically appropriated, and any such grants intended to prevent threats to homeland security up to 100% of previously anticipated or unanticipated grant award amounts for which no State matching funds are required, provided, however, that the Director of the Division of Budget and Accounting shall notify the Legislative Budget and Finance Officer of such grants; and all other grants of \$500,000 or less.

For the purposes of federal funds appropriations, “political subdivisions of the State” means counties, municipalities, school districts, or agencies thereof, regional, county or municipal authorities, or districts other than interstate authorities or districts; “discretion” refers to any action in which an agency may determine either the amount of funds to be allocated or the recipient of the allocation; and “grants” refers to one-time, or time limited awards, which are received pursuant to submission of a grant application in competition with other grant applications.

The unexpended balances at the end of the preceding fiscal year of federal funds are appropriated for the same purposes. The Director of the Division of Budget and Accounting shall inform the Legislative Budget and Finance Officer by November 1 of the current fiscal year of any unexpended balances which are continued.

Out of the appropriations herein, the Director of the Division of Budget and Accounting is empowered to approve payments to liquidate any unrecorded liabilities for materials delivered or services rendered in prior fiscal years, upon the written recommendations of any department head or the department head’s designated representative. The Director of the Division of Budget and Accounting shall reject any recommendations for payment which the Director deems improper.

In order to permit flexibility in the handling of appropriations and ensure the timely payment of claims to providers of medical services, amounts may be transferred to and from the various items of appropriation within the General Medical Services program classification, and within the federal matching funding, in the Division of Medical Assistance and Health Services and Division of Disability Services in the Department of Human Services, and within the Medical Services for the Aged program classification, and within the federal matching funding, in the Division of Aging Services in the Department of Human Services, subject to the approval of the Director of the Division of Budget and Accounting. Notice thereof shall be provided to the Legislative Budget and Finance Officer on the effective date of the approved transfer.

Notwithstanding the provisions of any law, regulation or Executive Order to the contrary, any purchase by the State or by a State agency or local government unit of equipment, goods or services related to homeland security and domestic preparedness, that is paid for or reimbursed by federal funds awarded by the U.S. Department of Homeland Security or other federal agency, appropriated in the current fiscal year, may be made through the receipt of public bids or as an alternative to public bidding and subject to the provisions of this paragraph, through direct purchase without advertising for bids or rejecting bids already received but not awarded. The equipment, goods or services purchased by a local government unit shall be referred to in the grant agreement issued by the State administrative agency administering such funds and shall be authorized by resolution of the governing body of the local government unit entering into the grant agreement. Such resolution may, without subsequent action of the local governing body, simultaneously accept the grant from the State administrative agency, authorize the insertion of the revenue and offsetting appropriation in the budget of the local government unit, and authorize the contracting agent of the local government unit to procure the equipment, goods or services. A copy of such resolution shall be filed with the chief financial officer of the local government unit, the State administrative agency and the Division of Local Government Services in the Department of Community Affairs. Purchases made without public bidding shall be from vendors that shall either (1) be holders of a current State contract for the equipment, goods or services sought, or (2) be participating in a federal procurement program established by a federal department or agency,

or (3) have been approved by the State Treasurer in consultation with the New Jersey Domestic Security Preparedness Task Force. All homeland security purchases herein shall continue to be subject to all grant requirements and conditions approved by the State administrative agency. The Director of the Division of Purchase and Property may enter into or participate in purchasing agreements with one or more other states, or political subdivisions or compact agencies thereof, for the purchase of such equipment, goods or services, using monies appropriated under this act, to meet the domestic preparedness and homeland security needs of this State. Such purchasing agreement may provide for the sharing of costs and the methods of payments relating to such purchases. Furthermore, a county government awarding a contract for Homeland Security equipment, goods or services, may, with the approval of the vendor, extend the terms and conditions of the contract to any other county government that wants to purchase under that contract, subject to notice and documentation requirements issued by the Director of the Division of Local Government Services.

Of the amounts appropriated for Income Maintenance Management, amounts may be transferred to the various departments in accordance with the Division of Family Development's agreements, subject to the approval of the Director of the Division of Budget and Accounting. Any unobligated balances remaining from funds transferred to the departments shall be transferred back to the Division of Family Development subject to the approval of the Director of the Division of Budget and Accounting.
