ROUTE OF THE BADGER

MILWAUKEE

ROUTE OF THE BADGER MILEAGE	
Existing Trail:	303.1
Planned Trail:	285.8
Existing On-Street Bike Facilities:	48.8
Planned On-Street Bike Facilities:	62.6
TOTAL:	700.3

The Route of the Badger coalition includes Rails-to-Trails Conservancy (RTC), Wisconsin Bike Fed, the Southeastern Wisconsin Regional Planning Commission (SEWRPC) as well as various municipalities, nonprofits and citizens. When complete, the Route of the Badger will transform Southeast Wisconsin—generating new opportunities for physical activity, tourism, recreation and stronger businesses along its route.
