

WEST VIRGINIA

In West Virginia, the Great American Rail-Trail® travels through the Northern Panhandle through the town of Weirton along the Ohio River. West Virginia contains the least number of miles along the Great American Rail-Trail of any state across the route. The West Virginia section is located along the Cleveland to Pittsburgh corridor of the proposed 1,500-mile [Industrial Heartland Trails Coalition](#).

In West Virginia, the trail is expected to generate annually:
