

RAILS TO Trails conservancy

Create a Nation Connected by Trails

At Rails to Trails Conservancy (RTC), we are building a nation connected by trails.
We reimagine public spaces to create safe ways for everyone to walk, bike and be active outdoors.

We believe that communities are healthier and happier when trail networks are central to their design. Since 1986, RTC has worked to bring the power of trails to more communities across the country, serving as the national voice for the rail-trail movement—and supporters like you are at the heart of all we do.

Rails to Trails Conservancy is a 501(c)(3) nonprofit, tax-exempt charitable organization. Membership contributions and donations to RTC are tax deductible as allowed by law.
